3. The question has been raised, do you think your instructions on Sermon Prep regarding takeaways and preparing to speak them on Wednesday Night causes some people not to share? **My response was, i certainly hope so. My declaration to all who read this is very simple, i absolutely hope so!** But before you go all judgmental and winey on me, hear the truth of my heartbeat. You need to be prepared to speak. You are about to open up and share with the children of God what He spoke to you and showed you in and through His Word, so that, they too may see the Truth, and be transformed to walk in it. Yes, yes, yes, you should be prepared, and you should be clear, and what you say should be edifying. So I cannot stress enough, be prepared. Your nerves, your anxiety, your searching for the right word, that is all part of the speaking. I don't think you should worry about that one bit, God will show you how easy He can overcome that. You prepare and know your Lord and Savior Jesus Christ is always prepared.

Prepare your takeaways for discussion. Be pointed and purposeful in what you desire to say. **Remember several people would like to speak so work on**

what you want to say, be pointed and brief. Write it down, but you are not expected to say everything you write down. You are not being asked to discuss everything you write down from your takeaways. You are being asked to discuss **something (a part) the Lord used to speak to you clearly.** Share what God leads you to share. Be confident to share as He leads you, as it will impact others and perhaps open their eyes to clarity and strength. **With that said, let us be efficient in our delivery and purposeful in what we say. Let us be prepared. God anoints preparation....BE PREPARED!**
